

Bowling Club Report

Report from Eardisland Bowling Club

Season 2024

2024 saw another successful season for the club with over 30 members playing regularly. We joined the Tarmac League for the first time and played against other Herefordshire teams during the season. The format is 4 teams of 4 players each team and the teams have to have a mix of ladies and men. We enjoyed some great results and finished in 3rd place.

The men played in the Herefordshire Mens League against some tough opposition but they enjoyed the highs and the lows, obviously more the highs!!

Our members play internal competitions and trophies are awarded to the winners and runners up at the end of the season at the annual presentation dinner. There are opportunities to play for the County if members wish to do so.

It was decided to have new club shirts for the 2025 season and so work began on finding sponsors to fund these. The venture proved worthwhile with five companies offering to sponsor and now we have very smart new tops to wear in our matches this year.

The PC awarded a grant to provide steps leading onto the green and these have been of great value and make getting onto the green much safer for everyone, particularly when it rains.

We are looking forward to season 2025 and hope to have lots of success to report next year.

Barbara Kay (club secretary)
