

Eardisland WI
Annual Report to the Parish Council

The Eardisland WI continues to thrive albeit as a small WI. The move to Monday afternoons has enabled the club to maintain its membership level and welcome new members, (24 members). There have been a wide variety of meetings including garden visits, demonstrations and talks from our own members and speakers visiting from other parts of Herefordshire and the surrounding counties.

We continue to provide the majority of communications through email and support those members who are not on line.

The WI has formed a team of citizen scientists to support the WI national resolution adopted for 2023 relating to clean rivers for people and wildlife. Weekly river testing results are submitted via an app to the Wye Valley Alliance and CPRE. The Eardisland WI also continues to support the plastic free Eardisland initiative.

WI members continue to support village events and volunteers are often at the Craft Fayre and talks.

We have two new members increasing the membership for 2025 from 24 to 26.

President – Kate Thompson
Treasurer – Wendy Priday
Minutes Secretary – Diane Lee
Secretary – Helen Kirkham

Meetings held monthly on the second Monday of the month at 2.00 p.m. in the Village Hall unless otherwise publicized. Details of all WI meetings are available on the Eardisland Website.
